FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of State Auditor** assume no fiscal impact to their office.

Officials of the **Cape Girardeau County Commission** stated that they expected in the year 2009 fiscal impact to be \$9,136.95 for the Treasurer, and \$9,136.95 for the Public Administrator, for a total fiscal impact of \$18,273.90.

Oversight assumes that Section 50.339 of this proposal to be discretionary. **Oversight** assumes the Cape Girardeau County Salary Commission would have to equalize the salaries of the Treasurer and Public Administrator with the salaries of the Auditor and Recorder of Deeds.

Oversight assumes that this proposal as written does not mandate an equalization of salaries, therefore, **Oversight** assumes there would be no state or local fiscal impact. **Oversight** will show fiscal impact to Cape Girardeau County General Revenue Fund as \$0 to \$18,273.90 beginning in FY 2009. If the County Salary Commission elected not to equalize salaries, then fiscal impact would be \$0.

ASSUMPTION (continued)

Oversight assumes this proposal amends two different sections of the law. One section concerns itself with the qualifications of the County Treasurer, and the other would allow the Cape Girardeau County Salary Commission to meet in 2007 to determine equalizing the salaries of the County Treasurer and Public Administrator with the base salaries of the County Auditor and County Recorder of Deeds.

Oversight assumes Section 54.040 would affect the qualifications and requirements of County Treasurers and would have no state or local fiscal impact.

DESCRIPTION

This act requires any candidate for County Treasurer to be at least twenty-one years of age and a resident of the state and county for at least one year prior to the general election. The candidate must also be a registered voter and shall be current in the payment of personal and real estate taxes. Upon election, the person must continue to reside in the county during his or her tenure.

This act allows the Cape Girardeau County Salary Commission to meet in 2007 to determine whether to equalize the base salaries of the Treasurer and Public Administrator with the base salaries of the Auditor and Recorder of Deeds.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
