DESCRIPTION

Under this act, the Highways and Transportation Commission is authorized to receive bids and bid bonds for any contract for construction, maintenance, repair, or improvement of any bridge or highway on the state highway system electronically via the Internet. At its discretion, the commission may elect to receive both electronic and paper bids, or the commission may specify electronic bidding exclusively for any proposed contract. The act establishes minimum criteria for the electronic bidding program.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
