**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from **Central Missouri State University** assume this proposal would have no fiscal impact on their organization.

Officials from the **Department of Higher Education** assumed a previous version of this proposal would have no fiscal impact on their organization.

Officials from **Missouri Western State University** stated that a previous version of this proposal would give them the authorization to lease campus-owned property not currently being used if a future economic/educational development would require it. University officials assume that any potential fiscal impact would be equal to the rent received.

Officials from **Southeast Missouri State University, Missouri State University, Missouri Southern State University, Northwest Missouri State University, Lincoln University, and Harris-Stowe State University** did not respond to our request for information.

ASSUMPTION (continued)

**Oversight** assumes that this proposal could have a future positive fiscal impact to the universities. Any fiscal impact would result from a potential future lease agreement, and the amount and fiscal years affected are unknown. Oversight has not included that potential revenue in this fiscal note.

This proposal would authorize Missouri Western State University, Central Missouri State University, Missouri State University, Missouri Southern State University, Southeast Missouri State University, Northwest Missouri State University, Harris-Stowe State University, and Lincoln University to convey or transfer, except in fee simple, the title or interest in real property.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
