FISCAL ANALYSIS

ASSUMPTION

Officials at the **Missouri Department of Transportation (MoDOT)** assume this bill authorizes the Missouri Highway and Transportation Commission (MHTC) to void outdoor advertising permits if: (1) there was a misrepresentation of a material fact by an applicant on an application; (2) MHTC determines a change was made to a conforming sign by its owner such that it is illegal; or (3) a substantial change has been made to a nonconforming sign by the owner such that the sign's nonconforming status has changed contrary to state administrative rules. The bill specifies that under the above referenced circumstances, the sign owners are not entitled to compensation by MHTC.

The bill also allows MHTC to void a permit which was erroneously issued by MoDOT staff in violation of any state law or administrative rule. Under those circumstances, the sign owner is entitled to compensation from MHTC under the terms of section 226.530. MoDOT believes that outdoor advertising applicants and MoDOT will comply with this law, therefore, there should be no fiscal impact.

Official at the **Office of State Court Administrator** assume no fiscal impact from this proposal.
