FISCAL ANALYSIS

ASSUMPTION

The **Joint Committee on Public Employee Retirement (JCPER)** has reviewed this proposal and has determined an actuarial study is not needed under the provisions of section 105.660, subdivision (5).

Officials with the **MoDOT and Patrol Employees Retirement System** assume the proposal would subsidize the creditable service by certain employees of the Missouri Department of Transportation and Civilian Patrol. The unfunded liability of the retirement system will increase, and at some point, cause an increase in the MoDOT and Patrol Contribution rate.

Oversight assumes there would be minimal fiscal impact to HTEHPRS due to the service buy-back and earnings fund contribution of the uniformed Patrol member.

Officials with the **MoDOT and Patrol Employees Retirement System** assume the substitute will revise Section 104.160 to add an additional member to the MPERS Board of Trustees. The member will be elected by the retirees of the Highway Patrol. The initial term of the member will be from January 1, 2008 through June 30, 2010. Thereafter, the terms shall be for four (4) years. There will be no significant costs associated with the addition of the member.

Officials from the **Department of Transportation (DHT)** assume their response will be identical to MoDOT and Patrol Employees Retirement System.

Oversight assumes, as stated above, there would be minimal fiscal impact to HTEHPRS due to the service buyback and earnings fund contribution of the uniformed Patrol member.
