## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of State Courts Administrator** state this proposal has no fiscal impact on the Courts.

Officials from the **Office of Prosecution Services (OPS)** assume this proposal would not have a significant direct fiscal impact on county prosecutors or OPS.

Officials from the **Office of State Public Defender, Department of Public Safety - Missouri State Highway Patrol** and the **Office of the Director, Department of Corrections, Department of Revenue**, and the **Department of Transportation** state this proposal will have no fiscal impact on their respective agencies.

Officials from the **Office of Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact to the SOS office for Administrative Rules is less than \$2,500. The SOS recognizes this is a small amount and does not expect additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed in a given year and that collectively the costs may be in excess of what the SOS can sustain with their core budget. Any additional required funding would be handled through the budget process.
