FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact to the SOS office for Administrative Rules is less than \$2,500. The SOS recognizes this is a small amount and does not expect additional funding would be required to meet these costs. However, SOS also recognizes that many such bills may be passed in a given year and that collectively the costs may be in excess of what the SOS can sustain with their core budget. Any additional required funding would be handled through the budget process.

Officials from the **Department of Insurance, Finance, and Professional Regulation** state this proposal will have no fiscal impact on their agency.

Officials from the **Department of Social Services** states this proposal will have no fiscal impact to their agency since the program is operated by the Department of Elementary and Secondary Education.

§ 160.900 through § 160.930

Officials from the **Department of Elementary and Secondary Education** state this portion of the proposal will have no fiscal impact on their agency or on local school districts.

Oversight assumes, based on §160.900 through §160.930 (Enacted 2005 - SB 500) and §162.700, (As amended with SB 834 in 2006), that the First Steps Program will sunset on August 28, 2007, unless reauthorized by the General Assembly. The General Revenue appropriation has been as follows:

FY 2005	\$10,169,590
FY 2006	\$12,658,181
FY 2007	\$14,650,703
FY 2008 (Budget)	\$14,650,703

Other funding sources for the First Steps Program will not be impacted, so long as the program is reauthorized. **Oversight** assumes this proposal reauthorizes the First Steps Program and will assume level funding for the next three years.

ASSUMPTION (continued)

§169.032

DES assumes their agency will need to hire one part-time Child Find Coordinator to comply with the provisions of this section.

Oversight assumes the proposal states a part-time Child Find Coordinator shall be hired, selected, and employed by RICC and assumes no personnel cost to DES.
