FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration – Administrative Hearing Commission, – General Services Division, Department of Transportation, and the Department of Labor and Industrial Relations** assume the proposal would have no fiscal impact on their agencies.

In response to a previous version of the proposal (HCS for SCS for SB 163, LR # 0605-03), officials from the **Department of Social Services** assumed the proposal would have no fiscal impact on their agency.

In response to a similar proposal from the current session (HB 1075, LR # 2426-01), officials from the **Department of Conservation** assumed the proposal would have no fiscal impact on their agency.

In response to a similar proposal from the current session (HB 1075, LR # 2426-01), officials from the **Office of the Attorney General** assumed any potential costs arising from this proposal can be absorbed within existing resources.

Basic Civil Legal Services Fund – \$477.650

Officials from the **Office of State Courts Administrator** assume the proposed legislation would extend the sunset of the Basic Civil Legal Services Fund from 2007 to 2012. In addition, the legislation would increase statutory fees paid to court reporters for preparation of transcripts.

The Basic Civil Legal Services Fund provides low income Missourians with equal access to the civil justice system. Moneys are paid to the Office of the State Court Administrator and credited to the fund, which is administered by the Supreme Court.

In addition to the other fees authorized by law, the clerk of each court collects fees on the filing of any civil and criminal action or proceeding, including an appeal: Supreme Court and Court of Appeals \$20; Circuit Courts \$10; Associate Circuit Courts \$8. The fund collects and disburses approximately \$3,000,000 in any given year.

Oversight assumes the provision authorizing the distribution of funds in the basic civil legal services fund will be extended from the current expiration date of December 31, 2007, to December 31, 2012. Oversight has reflected the distribution of funds for 6 months of FY 2008 and for 12 months of FY 2009 and FY 2010.

ASSUMPTION (continued)

Fees Paid to Court Reporters for Preparation of Transcripts – §488.2250

Officials from the **Office of State Courts Administrator (CTS)** assume court reporters are statutory state employees who are paid fees in addition to their statutory salary. The per page rate for original civil and criminal transcripts would be increased from \$1.50 to \$2.00, or a \$.50 increase (33%).

While most transcript costs are paid by private litigants, there are some costs borne by the judiciary, State Public Defender, and state agencies who are parties to appeals. The current budget for court reporter fees paid by the judiciary is approximately \$132,000. Based on the minimum 33% increase for original transcripts, the additional cost to the judiciary would be at least \$43,560.

Oversight has adjusted the additional cost to the judiciary to reflect 10 months for FY 2008.

Officials from the **Office of the State Public Defender (SPD)** did not respond to Oversight's request for fiscal impact. However, in response to a similar proposal from the current session (HB 826, LR # 2062-01), officials assumed the proposed legislation increases the fees paid to court reporters for transcriptions typed and copied. Currently the cost is \$1.50 per page of original transcription. This will be increased to \$2.25 per page. Currently the cost per copy is \$.35 per page. This will be increasing to \$.70 per page. The SPD is responsible for payment of court reporter transcription fees.

SPD assumes approximately 170,600 pages of transcription are paid for each fiscal year. 1 original and three copies = total cost per page of \$2.55 currently, for a total of \$435,030.

SPD assumes the new costs equal \$4.35 per page, or an additional \$1.80 per page. At 170,600 per page, the additional costs are \$307,080.

Oversight has adjusted the Office of the State Public Defender cost estimates to reflect the increased costs outlined in this proposal, or an increase of \$.50 per page for original civil and criminal transcripts.

Officials from the Office of Prosecution Services did not respond to Oversight's request for fiscal impact.
