FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Social Services, Department of Public Safety – Missouri State Highway Patrol**, and the – **Director’s Office** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Boone County Sheriff’s Department (BCSD)** assume their agency would experience increased costs as a result of the provisions in the proposal. In 2005, BCSD served nearly 1,300 orders of protection. If accurate contact information was provided and contact was made on the first attempt, assuming a minimum of two minutes per call, officials estimate 44 hours would be required. Officials estimate the cost to be \$770 per year (44 hours x \$17.69/hour). Officials assume multiple attempts will have to be made, costing more time and money.

Oversight assumes sheriff’s departments could incur additional costs as a result of the proposal. Oversight assumes the costs would depend on the number of orders of protection served statewide, which is an unknown quantity. Therefore, Oversight assumes the local cost to be Unknown.

Officials from the Clark County Sheriff’s Department, Greene County Sheriff’s Department, Jackson County Sheriff’s Department, and the St. Louis County Sheriff’s Department did not respond to Oversight’s request for fiscal impact.

FISCAL DESCRIPTION

The proposed legislation requires law enforcement agencies to call and notify every petitioner who provides his or her telephone number that an ex parte order of protection has been served on the respondent or that service on the respondent has been attempted and no more attempts are planned.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
