## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Social Services, Department of Public Safety – Missouri State Highway Patrol**, and the – **Director’s Office** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of State Courts Administrator (CTS)** assume the proposed legislation requires circuit clerks to provide notification information to individuals petitioning for ex parte orders of protection.

CTS states the meaning of the legislation is unclear in regard to the “information” to be provided to the petitioner. CTS assumes the “information” will be provided to the courts for distribution. If this is the case, there will be no cost to the courts. However, if the assumption is incorrect, there will be printing costs for the counties.

Officials from the **Boone County Sheriff’s Department (BCSD)** assume their notification to the clerk’s office on those respondents they cannot find would be in the form of “non-est” at the time the paper expires. BCSD assumes no fiscal impact.

**Officials from the Clark County Sheriff’s Department, Greene County Sheriff’s Department, Jackson County Sheriff’s Department, St. Louis County Sheriff’s Department, Jackson County Circuit Clerk, Phelps County Circuit Clerk, and St. Louis City Circuit Clerk did not respond to Oversight’s request for fiscal impact.**
