## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the Secretary of State (SOS)** assume many joint resolutions are considered by the General Assembly that would require the SOS to pay for publishing in local newspapers the full text of each statewide ballot measure as directed by Article XII, Section 2(b) of the Missouri Constitution and Sections 116.230-116.290, RSMo. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. Funding for this item is adjusted each year depending upon the election cycle with \$1.6 million historically appropriated in even numbered fiscal years and \$100,000 appropriated in odd numbered fiscal years to meet these requirements. The appropriation has historically been an estimated appropriation because the final cost is dependent upon the number of ballot measures approved by the General Assembly and the initiative petitions certified for the ballot. In FY 2006 at the August and November elections there were 6 statewide Constitutional Amendments or ballot propositions that cost \$1 million to publish (an average of \$167,000 per issue). Therefore, the SOS assumes, for the purposes of this fiscal note, that it should have the full appropriation authority it needs to meet the publishing requirements.

**Oversight** assumes election cost could be absorbed with existing appropriations. Oversight assumes no state or local fiscal impact.

Officials of the **Office of State Auditor** assume no fiscal impact.

Office of the **Attorney General** assume no fiscal impact to their office.

<u>FISCAL IMPACT - State Government</u>	FY 2008 (10 Mo.)	FY 2009	FY 2010
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2008 (10 Mo.)	FY 2009	FY 2010
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This proposed constitutional amendment, if approved by the voters, would require a two-thirds majority vote of the people in order for a constitutional amendment to pass. Currently, a simply majority must approve a constitutional amendment.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
