## FISCAL ANALYSIS

### ASSUMPTION

The **Joint Committee on Public Employee Retirement (JCPER)** has reviewed this proposal and has determined an actuarial study is not needed under the provisions of section 105.660, subdivision (5).

Officials from the **Missouri State Employees' Retirement System (MOSERS)** assume this proposal would involve minor modifications to and clarifications of the Missouri State Employees' plan (MSEP) and the MoDOT and Patrol Employees' Retirement System (MPERS). These provisions are commonly referred to by the retirement systems as "clean-up" legislation. They are general in nature and carry no fiscal impact to the system.

Officials from the **Missouri Highway Patrol** assume the Retirement System will be responding on their behalf.

Officials from the **MoDOT and Patrol Employees Retirement System, Department of Transportation and Department of Labor and Industrial Relations** assume no fiscal impact to their agencies.
