FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator** and **Department of Revenue** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Department of Insurance, Financial and Professional Regulation (DIFP)** state the proposal transfers collection of surplus lines tax from the DIFP to the DOR. This will transfer a minimal number of checks coming into the DIFP (1,300 of 83,000 received by the DIFP), but a large collection amount (over \$20 million). The DIFP will utilize information from the from the DOR to track, analyze and certify the data regarding surplus lines tax. The DIFP anticipates a process similar to that of Premium Tax collection.

The proposal will have no fiscal impact on the DIFP.
