FISCAL ANALYSIS

ASSUMPTION

Officials of the **Department of Natural Resources** assumes no fiscal impact to their department.

Oversight sent fiscal note response requests to numerous County Commissions and none have responded.

Oversight assumes this proposal as written is permissive and would have no fiscal impact without action by their governing body with voter approval.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal. A business located in a county that would establish a voter approved property tax levy, not to exceed one half cent per one hundred dollars assessed valuation, for support of cemetery maintenance would realize an increase in their property tax.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
