FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of the Secretary of State** assume no fiscal impact to their office.

Officials of the **Joint Committee on Public Employee Retirement** stated that this proposal would not create a “substantial proposed change” in future plan benefits as defined in Section 105.660(5). Therefore, an actuarial cost statement is not required.

Officials of the **St. Louis Metropolitan Police Department** assume this proposal as written is permissive, and would require action by the city’s governing body before there would be either a positive or negative fiscal impact.

Oversight assumes this proposal is discretionary and would require action by the local governing body. **Oversight** assumes this proposal as written would have no fiscal impact.
