FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Office of the Director** and **Missouri State Highway Patrol**, and **Office of the State Public Defender** state this proposal will have no fiscal impact on their agencies.

Officials from the **Office of Attorney General** assume that any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Office of State Courts Administrator** state this proposal has no fiscal impact on the Courts.

Officials from the **Department of Revenue (DOR)** state they will implement a procedure change, but there will be no costs for implementation.

In FY 2006, DOR issued 16,669 replacement tabs due to theft in which the applicant paid the \$8.50 fee because he/she did not submit a police report. Since a police report will no longer be required for tabs issued prior to January 1, 2009, there will be a decrease in replacement tab revenue of approximately \$142,000 in FY 2008 and \$71,000 in the first half of FY 2009 due to issuing these tabs at no fee due to theft.

In response to the perfected version of this proposal, officials from the **Springfield Police Department** assumed no fiscal impact resulting from this proposed legislation.

In response to the introduced version of this proposal, officials from the **Jefferson City Police Department** states that the number of such reports to their department are very few, therefore, there likely would be unnoticeable fiscal impact.

In response to the introduced version of this proposal, officials from the **Independence Police Department** don't see any additional costs associated with this proposal since their department takes very few of these reports.

Oversight assumes Police Departments could receive income from fees for providing copies of police reports in order that a person could get replacement license plate tabs starting January 1, 2009.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

§ 301.301

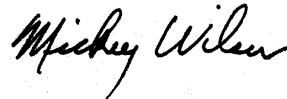

Modifies the stolen license plate tabs procedure for obtaining free tabs from the Department of Revenue. Under current law, a person replacing stolen license plate tabs may receive two sets of two license plate tabs for free if the person submits a police report with the application. This proposal would modify the procedure by requiring any person replacing stolen license plate tabs issued prior to January 1, 2009, to submit a notarized affidavit to that effect. For persons replacing stolen license plate tabs issued on or after January 1, 2009, the person will have to submit a police report with his or her application.

This bill has an emergency clause for §301.301.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
