FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Economic Development - Division of Tourism (DED)** state the proposed legislation extends the sunset from June 30, 2010 to June 30, 2015. The fiscal impact would begin in Fiscal Year 2011 and would provide funding for the Missouri Division of Tourism for an additional five years. During these additional five years, the Division, through its promotional efforts would have a positive impact on Missouri's tourism economy.

Officials from the **Department of Revenue** and the **Office of the State Treasurer** each assume the proposal would not fiscally impact their respective agencies.

Oversight assumes the fiscal impact of this proposal would begin in Fiscal Year 2011, which is beyond the scope of this fiscal note. The annual appropriations from the General Revenue fund into the Tourism Supplemental Revenue Fund for fiscal years 2006 and 2007 have been \$13,231,882 and \$17,767,811 respectively.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
