ASSUMPTION

The **Boone County Treasurer** assumes there would be no fiscal impact to the county.

The **Callaway County Treasurer** assumes no fiscal impact to the county.

The **St. Louis County Public Administrator** assumes there would be considerable administrative impact from complying with the new duties in this proposal.

Oversight assumes there would be a switch of duties from the County Treasurer to the County Public Administrator. **Oversight** assumes that any costs in performing these duties would be defrayed in the same manner that the County Treasurer defrayed costs. This proposal states that all monies would go to the credit of the city or county, and if the money were demanded within five years, the Public Administrator would deduct all fees and expenses at time of settlement. **Oversight** assumes there would be no fiscal impact.
