FISCAL ANALYSIS

ASSUMPTION

Officials from the **State Auditor's Office** assume no fiscal impact to their agency.

Officials from the **Missouri Senate** assume this resolution authorizes the General Assembly to employ an independent Certified Public Accountant to conduct an audit of the State Auditor's Office. This fulfills a statutory requirement pursuant to RSMo. 21.760 with the costs to be paid out of the joint contingent appropriation.

The cost of such audit is expected to be well less than \$100,000 based on the prior two such audits (\$24,000 and \$25,000). Anticipated cost is to be \$25,000 which recently was added to the Joint Contingent budget request for fiscal year 2008.

Officials from the **Missouri House of Representatives** assume the costs associated with this proposal will be paid out of the joint contingent fund of the General Assembly. The House assumes that the Senate will still process payments out of the fund, therefore, there is no fiscal impact to the House.
