FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of the Attorney General** assume that any potential costs arising from this proposal can be absorbed with existing resources.

Officials at the **Office of the State Public Defender (SPD)** assume passage of bills increasing penalties on existing crimes, or creating new crimes, requires the State Public Defender System to further extend resources. While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide competent and effective representation in all its cases.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

Officials at the **Office of the State Courts Administrator, Department of Labor and Industrial Relations** and the **Information Technology Services Division** assume that there is no fiscal impact from this proposal.

FISCAL DESCRIPTION
