FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator, Department of Insurance, Financial and Professional Regulation, and Department of Health and Senior Services** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Office of Administration - Administrative Hearing Commission** anticipate this legislation will not significantly alter its caseload. However, if other similar bills also pass, there are more cases, or more complex cases, there could be a fiscal impact.

Officials from the **Office of Attorney General** assume any potential costs arising from this proposal can be absorbed with existing resources.

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.
