## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Economic Development** assume the proposal would have no fiscal impact on their agency.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Office of the Attorney General (AGO)** assume the implementation of this proposal will create no fiscal impact for this office. However, because the AGO is responsible for defending such legislation in constitutionality claims, AGO assumes that the nature of these provisions could create a fiscal impact. As a result, AGO assumes costs are unknown, but under \$100,000.

**Oversight** assumes the AGO could absorb the cost of defending any constitutionality claims resulting from the proposed legislation within existing resources. If the AGO experiences increased costs that would require additional funding, the AGO could request the funding through the appropriation process.

<u>FISCAL IMPACT - State Government</u>	FY 2008	FY 2009	FY 2010

<u>FISCAL IMPACT - Local Government</u>	FY 2008	FY 2009	FY 2010

### FISCAL IMPACT - Small Business

The proposal could have a positive impact on small businesses who are product sellers and would be protected from liability under the provisions of the proposed legislation.

The proposed legislation contains an emergency clause, and would be in full force and effect upon its passage and approval.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
