## FISCAL ANALYSIS

### ASSUMPTION

Officials of the **Department of Revenue** assume no fiscal impact to the department.

Officials of the office of the **Director of Administration of St. Louis County** assumes no fiscal impact.

**Oversight** assumes that by removing the “coupling provision” contained in current law, would make establishing the sales tax easier to impose in either jurisdiction. Current law requires passage by both the City of St. Louis and St. Louis County before either could impose a sales tax for transportation purposes. **Oversight** assumes no state or local fiscal impact.
