**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of Administration – Administrative Hearing Commission, Department of Public Safety – Director’s Office,** and the **State Auditor’s Office** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of the Governor** did not respond to Oversight’s request for fiscal impact. However, in response to a similar proposal from the 2007 Session (SCS for SJR 9 & 17, LR # 0928-03), officials assumed the proposal would have no fiscal impact on their agency.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Office of the Secretary of State (SOS)** assume many joint resolutions are considered by the General Assembly that would require the SOS to pay for publishing in local newspapers the full text of each statewide ballot measure as directed by Article XII, Section 2(b) of the Missouri Constitution and Section 116.230-116.290, RSMo. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year’s legislative session. Funding for this item is adjusted each year depending upon the election cycle with \$1.6 million historically appropriated in even numbered fiscal years and \$100,000 appropriated in odd numbered fiscal years to meet these requirements. The appropriation has historically been an estimated appropriation because the final cost is dependent upon the number of ballot measures approved by the General Assembly and the initiative petitions certified for the ballot. In FY 2007 at the August and November elections there were 6 statewide Constitutional Amendments or ballot propositions that cost \$1.2 million to publish (an average of \$193,000 per issue). Therefore, the SOS assumes, for the purposes of this fiscal note, that it should have the full appropriation authority it needs to meet the publishing requirements. However, because these requirements are mandatory, SOS will request funding to meet the cost of our publishing requirements if the Governor and the General Assembly change the amount or eliminate the estimated nature of the appropriation.
