FISCAL ANALYSIS

ASSUMPTION

Oversight assumes the Senate Committee Substitute adds Section C to this proposal which is a severability clause. Oversight assumes this addition would have no fiscal impact to local governments or to state government.

In response to a previous version, fiscal note 3074-02, SB 765 the following local governments issued the following fiscal impact statements. **Oversight** assumes the addition of the severability clause would not alter their responses.

St. Louis County officials assume no fiscal impact.

Officials of the **Taney County Commission** stated that this proposal in their opinion reinstates needed county control over the formation of villages. Absent such control a developer could form a village for the sole purpose of circumventing County Ordinances, including planning and zoning laws. Officials stated that citizens do not benefit from a village with an inadequate financial base that cannot provide even the most basic services. Officials stated that “while difficult to quantify, this proposal has the potential to save Taney County millions of dollars”.

Oversight assumes no state fiscal impact.

<u>FISCAL IMPACT - State Government</u>	FY 2009 (10 Mo.)	FY 2010	FY 2011
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>
<u>FISCAL IMPACT - Local Government</u>	FY 2009 (10 Mo.)	FY 2010	FY 2011
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

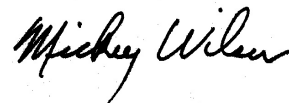

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
