## FISCAL ANALYSIS

### ASSUMPTION

Officials of the **Office of Secretary of State - Elections Division** assume no fiscal impact to their office.

Officials of the **Office of Secretary of State - Rules** stated that many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$2,500. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

**Oversight** assumes this proposal is procedural and creates no new duties or expenditure of funds for local governments. **Oversight** assumes no local fiscal impact.

### FISCAL IMPACT - Small Business
