FISCAL ANALYSIS

ASSUMPTION

Officials of the **Kansas City Police Department** stated this proposal increases the current statutory maximum pay for Kansas City Police Officers but has no fiscal impact since it does not require that pay actually be increased; it merely provides the opportunity to raise future salaries.

Oversight assumes no state fiscal impact. **Oversight** assumes this proposal as written is permissive and would only have fiscal impact if the local Board would choose to increase salaries of officers. Oversight assumes no local fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
