**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Agriculture, Office of State Courts Administrator, Department of Public Safety, Department of Health and Senior Services and State Treasurer's Office** assume no fiscal impact to their agencies.

Officials from the **Department of Natural Resources (DNR)** assume the Commission or Department Director would determine whether a recycling company that converts animal parts into petroleum is a "persistent violator" of the provisions of this section or any odor rule promulgated by the DNR and if so take appropriate actions on permits and assess civil penalties and surcharges. The proceeds of any surcharges assessed under this proposal would be deposited either into the newly created Air Pollution Enforcement Fund or the Water Pollution Enforcement Fund. The DNR would manage these funds.

The DNR would not anticipate a direct fiscal impact from this proposal.

<u>FISCAL IMPACT - State Government</u>	FY 2009 (10 Mo.)	FY 2010	FY 2011
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2009 (10 Mo.)	FY 2010	FY 2011
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

**FISCAL IMPACT - Small Business**

No direct fiscal impact to small businesses would be expected as a result of this proposal.

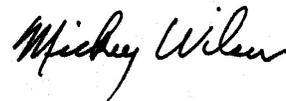

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
