## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Missouri Department of Transportation (MoDOT)** assume the Unified Carrier Registration (UCR) Agreement was established in the federal UCR Act of 2005, as part of the Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Public Law 109-59, August 10, 2005). The UCR Act repeals and replaces the federal Single State Registration System (SSRS), the current system under which the states operate.

Passage of this bill will allow MoDOT to continue to collect an estimated \$2,342,000 in registration fees. If this legislation does not pass, Missouri forfeits the registration fees to another state who does participate in UCR. MoDOT assumes no fiscal impact as long as this legislation passes. If not the department will have a \$2,342,000 loss in registration fees annually.

**Oversight** assumes that the state will comply with federal law and not lose the annual registration fee revenues.

Officials at the **Missouri Highway Patrol, Department of Revenue** and the **Office of the Secretary of State** assume that there is no fiscal impact from this proposal.

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
