FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume the proposal will have no fiscal impact on their organization.

Officials from the **Office of Secretary of State (SOS)** state the fiscal impact for this proposal for Administrative Rules is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.
