FISCAL ANALYSIS

ASSUMPTION

Officials of the **Cities of Centralia** and **West Plains** assume no fiscal impact.

Oversight assumes this proposal is amending state law to make it compatible with the Missouri Constitution, Sections 19 and 20 of Article VI. Section 19 of the Missouri Constitution currently allows cities with a population of 5,000 or more to form a charter. Missouri's current law states that cities with a population of 10,000 or more may form a charter.

Oversight assumes there would be no state or local fiscal impact.
