## FISCAL ANALYSIS

### ASSUMPTION

Officials of the **Department of Insurance, and Financial Institutions, and Professional Registration** stated that this proposal would have no fiscal impact on their department.

**Oversight** sent response request to several County Coroners and Medical Examiners and County Commissions and none have responded.

**Oversight** assumes that Section 67.130.1 currently requires County Coroners and Medical Examiners to attend annual training programs established by the "County Officials Training Commission" established in Section 67.130.2.

**Oversight** assumes under the provisions of Sections 58.095 and 58.096 RSMo. 2000, that County Coroners, Medical Examiners, and their deputies currently receive reimbursement for attending approved training courses annually. **Oversight** assumes there would be no additional fiscal impact related to the required training for Coroners and their deputies, and assistants.
