FISCAL ANALYSIS

ASSUMPTION

Officials of the **St. Louis Metropolitan Police Department - Budget Division** assume if the department were to develop a test to measure physical strength the estimated annual cost would be \$1,000,000.

Oversight assumes this proposal is enabling legislation and does not require the establishment of a test to measure physical strength by the Board of Police Commission of St. Louis City.

Oversight assumes the board would have to initiate a test before there would be fiscal impact.

Oversight assumes this proposal as written would have no fiscal impact.

Oversight assumes no state fiscal impact.
