FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration (DIFP)** estimate approximately 156 insurers would be required to submit amendments to their policies to comply with the legislation. Policy amendments must be submitted to the department for review along with a \$50 filing fee. One-time additional revenues to the Insurance Dedicated Fund are estimated to be \$7,800 (156 insurers X \$50).

Additional staff and expenses are not being requested with this single proposal, but if multiple proposals pass during the legislative session which require policy form reviews, the DIFP will need to request additional staff to handle the increase in workload.
