FISCAL ANALYSIS

ASSUMPTION

The **Joint Committee on Public Employee Retirement (JCPER)** has reviewed this proposal and has determined an actuarial study is not needed under the provisions of section 105.660, subdivision (5).

Officials from the **Public School Retirement System (PSRS)** assume this proposal allows for the funds from both PSRS and PEERS to be combined for investment purposes into a Public School and Education Employee Retirement Systems of Missouri investment fund account. The funds of each system would be accounted for separately and for all other reporting purposes would be separate.

This request was sent to PSRS actuaries, Gabriel, Roeder, Smith and Company who estimated that there would be no cost to the systems.
