FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Administration - Budget and Planning (BAP)** state this proposal modifies the Enhanced Enterprise Zone Tax Benefit Program by prohibiting taxpayers from simultaneously receiving a tax credit under this program and the Quality Jobs Act. BAP defers to the Department of Economic Development for any estimate on changes to general and total state revenues.

Officials from the **Department of Economic Development** assume the proposal would not fiscally impact their agency.

In response to a similar proposal from this year (SB 1234), officials from the **Department of Revenue** assumed the proposal would not fiscally impact their agency.
