ASSUMPTION

Officials from the **Department of Economic Development, Department of Agriculture, Department of Elementary and Secondary Education and Department of Labor and Industrial Relations** assume no fiscal impact to their agency.

Officials from the **Department of Natural Resources** assume this proposal would require the directors of the Departments of Labor and Industrial Relations, Economic Development and Natural Resources to meet, at least twice a year, to discuss ways to secure grants established under the federal Energy Independence and Security Act of 2007.

The department assumes this could be accomplished utilizing existing resources.
