FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue (DOR)** state as they have not, historically, entered into agreements to collect hotel/motel or lodging tax, DOR anticipates that this legislation will not affect their agency. However, due to the Statewide Information Technology Consolidation, DOR's response to a proposal will now also reflect the cost estimates prepared by OA-IT for impact to the various systems. As a result, the impact shown may not be the same as previous fiscal notes submitted. In addition, if the legislation is Truly Agreed To and Finally Passed, the OA-IT costs shown will be requested through appropriations by OA-IT.

The Office of Administration Information Technology (ITSD DOR) estimates the IT portion of this request can be accomplished within existing resources; however, if priorities shift, additional FTE/overtime would be needed to implement. The ITSD DOR estimates that this legislation could be implemented utilizing 1 existing CIT III for 1 month for system modifications to MINITS. The estimated cost is \$4,441.

Officials from **Miller County, Camden County and Morgan County** did not respond to our request for fiscal impact.

This proposal allows the board of directors of a lake area business district to enter into an agreement with the Department of Revenue for the collection of the transient guest taxes. In turn, the Department of Revenue would then be allowed to retain between one and three percent of the collections to cover costs. **Oversight** assumes this proposal is permissive in nature and will not by itself have a fiscal impact upon the Department of Revenue.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

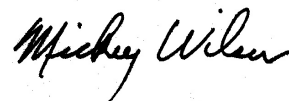

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
