FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator** assume the proposal would not fiscally impact the courts.

Officials from the Department of Corrections, Department of Health and Senior Services, Department of Public Safety - Director's Office and State Highway Patrol each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of the State Public Defender** assume that existing staff could provide representation for those few cases arising where indigent persons were charged with the proposed new crime of possessing an alcoholic vaporizer. However, passage of more than one bill increasing penalties on existing crimes or creating new crimes would require the State Public Defender System to request increased appropriations to cover cumulative cost of representing the indigent accused in the now more serious cases or in the new additional cases.

Officials from the **Office of Prosecution Services (OPS)** did not respond to our request for fiscal impact. In response to a similar proposal from the 2006 legislative session (HB 1176), OPS assumed the proposal would not have a significant direct fiscal impact on county prosecutors, although it may lead to an increase in prosecutions/caseloads.

FISCAL IMPACT - Small Business

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.
