ASSUMPTION

Officials from the **State Tax Commission, Secretary of State’s Office, City of Kansas City, St. Louis County Government, City of Centralia and Cass County** assume there will be no fiscal impact to their agency.

Oversight assumes this proposal is discretionary and would have no local fiscal impact without action by the governing body.

Officials from the **Department of Revenue (DOR)** assume this proposal does the following:

- Allows a public library, by majority vote of its board of directors, to impose a tax not to exceed one-half of one percent on retail sales to fund public libraries.
- No tax under this subsection shall be effective unless the board of directors submits to the voters of the district.
- “Qualified Voters” or “Voters” means any individual residing in the district who is eligible to be a registered voter and who have registered.
- “Public Library District” is defined as any library district, county library district, city-county library district, municipal library district, consolidated library districts or urban library district.

Sales Tax would require one (1) Revenue Processing Technician I (Range 10, Step L) to assist in registration of businesses, maintaining business lists and coordinating changes with the districts.
