FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections - Missouri Vocational Enterprises** state this proposal will have no fiscal impact on their agency.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the proposal. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from the **Department of Revenue (DOR)** state that the number of eligible applicants is unknown. However, for each 100 specialty plate applications received, there will be an increase in revenue each year from the \$25 specialty plate fee of \$2,500 that would be distributed 75% to highway fund, 15% to cities, and 10% to counties. DOR will need to revise procedures, update the TRIPS plate table, and request funding in the amount of \$1,500 for every 100 specialty applications received for application, plate set-up, postage, envelope, notification, and plate costs.

FISCAL IMPACT - Small Business

No direct fiscal impact to small business would be expected as a result of this proposal.

FISCAL DESCRIPTION

This proposal authorizes the issuance of Brain Tumor Awareness Organization special license plates. Any member of the Brain Tumor Awareness Organization may receive special license plates bearing the organization's emblem after making an annual application and paying a \$25

FISCAL DESCRIPTION (continued)

emblem-use contribution to the Brain Tumor Awareness Organization. Such specialty plates shall bear the words "Brain Tumor Awareness" in lieu of the words "SHOW-ME STATE." No fees shall be charged for the personalization of such license plates.

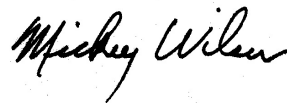

Prior to the issuance of a Brain Tumor Awareness Organization specialty plate, the Department of Revenue must be in receipt of an application which shall be accompanied by a list of at least 200 potential applicants who plan to purchase the specialty plate, the proposed art design for the specialty license plate, and an application fee, not to exceed \$5,000, to defray the department's cost for issuing, developing, and programming the implementation of the specialty plate. Once the plate design is approved, the Director of Revenue shall not authorize the manufacture of the material to produce the specialized license plates until such time as the director has received two hundred applications, the \$25 specialty plate fee per application, and emblem use statements, if applicable, and other required documents or fees for such plates.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
