## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Missouri Veterans Commission** state this proposal will have no fiscal impact on their agency.

In response to the introduced version of this proposal, officials from the **Department of Corrections - Missouri Vocational Enterprises** stated this proposal will have no fiscal impact on their agency.

In response to the introduced version of this proposal, officials from the **Office of Secretary of State (SOS)**, stated many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the proposal. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from the **Department of Revenue (DOR)** state that the number of eligible applicants for each specialized license plate is unknown. DOR will need to revise procedures, update the TRIPS plate table, and request funding in the amount of \$1,500 for every 100 specialty applications received for application, plate set-up, postage, envelope, notification, and plate costs.

### §301.165 - Brain Tumor Awareness

For each 100 specialty plate applications received, there will be an increase in revenue each year of \$2,500 from the \$25 specialty plate fee that would be distributed 75% to highway fund, 15% to cities, and 10% to counties.

	<b>FY 10</b>	<b>FY 11</b>	<b>FY 12</b>
Highway fund-75%	\$1,563	\$1,875	\$1,875
Cities- 15%	\$ 313	\$ 375	\$ 375
Counties -10%	\$ 208	\$ 250	\$ 250

ASSUMPTION (continued)
