## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Revenue** assume the proposal would not fiscally impact their agency.

In response to a similar proposal from this year (HB 28), officials from the **City of Waynesville** stated the proposal could generate roughly \$60,000 per year and be used to build a 100 room hotel and convention center.

**Oversight** assumes this proposal, as written, does not mandate that the City of Waynesville impose a transient guest tax for the purpose of funding the construction of and the maintenance of a multipurpose conference and convention center. Oversight assumes this proposal is permissive and that the fiscal impact would not be realized without action by the governing body and voter approval. Oversight will show the fiscal impact as zero.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal. If the City of Waynesville were to receive voter approval to impose a transient guest tax, small businesses in the sleeping rooms business as defined in this proposal could expect to collect and administer the tax.

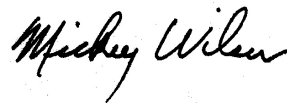

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
