FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Courts Administrator** and the **Missouri Senate** each assume the proposal would have no fiscal impact on their respective agencies.

Officials from the **Missouri House of Representatives** assume the proposal would have no fiscal impact on their agency. MHR assumes that any costs would be paid out of the Senate administered joint contingent fund.

Officials from the **Department of Social Services** assume the resolution proposes to create a Joint Interim Committee on Child Support Enforcement Reform for the purpose of increasing the number of noncustodial parents participating in the financial and emotional needs of their children and to express the General Assembly's support for the special child support dockets known as "Fathering Courts". The Family Support Division (FSD) expects that it would need to respond to inquiries from the committee and provide information and feedback as necessary. These activities can be done with existing staff; therefore, FSD expects no fiscal impact as a result of this resolution.

Officials from the **Office of Prosecution Services (OPS)** have not responded to Oversight's request for fiscal information.
