**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Health and Senior Services, Office of the Secretary of State, Missouri House of Representatives, Missouri Senate** and the **Department of Social Services** each assume the proposal would have no fiscal impact on their respective agencies.

Officials from the **Office of the Attorney General (AGO)** assumes that implementation of this proposal will create no fiscal impact for this office. However, because the AGO is responsible for defending such legislation in constitutionality claims, AGO assumes that the nature of these provisions could create a fiscal impact. As a result, AGO assumes costs are unknown.

Oversight assumes, because the potential for litigation is speculative, that the AGO will not incur significant costs related to this proposal. If a fiscal impact were to result, the AGO may request additional funding through the appropriations process.

No direct fiscal impact to small businesses would be expected as a result of this proposal.

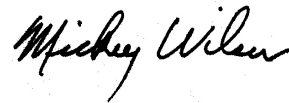

FISCAL DESCRIPTION
