FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Higher Education** state this proposal would have no direct, foreseeable fiscal impact on their agency.

Officials from the **Department of Elementary and Secondary Education** state this proposal will have no fiscal impact on their agency or on local school districts.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from **Linn State Technical College** state this proposal will have no fiscal impact on their institution.

Officials from the **Metropolitan Community College** assume this proposed legislation could cost their college a 10% loss of current A+ students (approximately 180) and a loss of tuition and fee revenue of close to \$330,000.

Oversight assumes that currently, two-year private vocational schools that provide services for A+ students must be accredited by the Higher Learning Commission and a member of the North Central Association of Colleges and Schools, must be designated as nonprofit organizations, and are prohibited from receiving reimbursements in excess of the rate charged by a public community college. This proposal simply clarifies that these requirements are applicable to private schools only and not to public vocational or technical schools. **Oversight** assumes no additional fiscal impact to local community colleges.

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

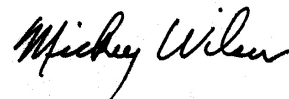

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
