## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the Governor** and the **Missouri Veterans' Commission** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Public Safety - Office of the Adjutant General** state they see no fiscal impact to their agency at this time.

Officials from the **Department of Higher Education (DHE)** state the bill would change the War Veteran's Survivors Grant Program, which is administered by the DHE. The changes appear to be primarily definitional and would not require the DHE to perform additional duties, change the number of students who might receive the grants, or change the amounts to which those students would be eligible to receive. Therefore, the DHE assumes that it can perform the duties associated with this bill with no additional staff or funding.

Officials from the **Office of Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

With the assumption of the Department of Higher Education that the proposal would not change the number of students who might receive the War Veteran's Survivors Grant Program benefits, **Oversight** will assume the proposal does not have a fiscal impact upon the state.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
