FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume this proposal will have no fiscal impact on their agency.

Officials from the **Department of Revenue (DOR)** assume this proposed legislation does the following:

§301.140.4 - Provides that a dealer may furnish a temporary plate to a buyer for temporary use upon application, presentation of proof of financial responsibility, and satisfactory evidence that the buyer has applied for registration.

§301.140.5 - Provides that DOR shall issue a temporary permit upon proof of purchase of a motor vehicle or trailer for which the buyer has no registration plate available for transfer and upon proof of financial responsibility and also provides that no temporary permits shall be issued without proof of financial responsibility.

DOR will need to:

- Revise policy and procedures, update the DOR website, and revise the Special Permits Application to reflect the change;
- Notify 8,920 dealers of the change at a cost to the Motor Vehicle Commission Fund of \$4,130 (paper/envelopes/postage).

Oversight assumes that, due to carryover of funds from year to year, there are sufficient funds in the Motor Vehicle Commission Fund to cover the notification costs of this proposal.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012

FISCAL DESCRIPTION

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
