FISCAL ANALYSIS

ASSUMPTION

In response to a similar proposal from this year (HB 861), officials from the **Department of Public Safety - Director's Office** assumed the proposal would not fiscally impact their agency.

Officials from the **Office of the Adjutant General (OTAG)** also assume the proposal would not fiscally impact their agency. OTAG states the Missouri National Guard has grown to a point that it is qualified to have a third Assistant Adjutant General and that this position would be funded completely by federal funds and would not be part of the state appropriation process.

Oversight assumes the proposal is permissive in nature since it states the adjutant general may assign assistant adjutants general up to the number authorized by the National Guard Bureau rules and regulations (current statutes state two). Since the funding for this additional position would be completely federal and not be subject to the state appropriation process, Oversight will assume a zero fiscal impact to state funds.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

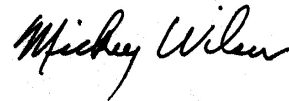

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
