## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Health and Senior Services** and **Department of Social Services** each assume there will be no fiscal impact to their respective agencies.

Officials from **Jackson County Recorder of Deeds** state software modification/expenditures would be required for the inclusion of an application check-off box for donations when issuing marriage licenses, creation of a financial tracking module in order to accept/process financial donations, and the creation of a modified printed receipt acknowledging when such donations are processed. Officials estimate a fiscal impact of \$5000 - \$10,000. This estimate does not include administrative employee training to explain/accept donations nor does it include the Finance Department's expense for processing the donations.

**Oversight** assumes this proposal is permissive in nature and authorizes the recorder of deeds in Jackson County to collect a \$1 donation over and above any required fees charged for recording or providing a certified copy of a marriage license or birth certificate. Therefore, Oversight will show fiscal impact to local government to be zero.

<u>FISCAL IMPACT - State Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

### FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

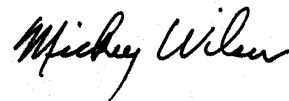

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
